Good morning, [Applicant full name].

I hope you are well. I was able to speak with an IRCC officer earlier today regarding your citizenship application.

Here is what the officer told me: All checks are complete (criminal, eligibility, and medical) except for the security checks, which are still being processed.

However, when it's the security checks that take time, there is unfortunately nothing we can do to expedite the processing of the application since it's an IRCC partner officer.

Therefore, there is nothing IRCC can do to expedite the processing of the application, even if the processing times have passed.

We can only wait for IRCC to receive a follow-up from their partner. IRCC will then contact you with a follow-up.
